

Dear Friends:

Saint Agnes Catholic School is a small school located in Arlington, Virginia and enrolls approximately 400 students in Pre-K through 8th Grade. Saint Agnes Catholic School educates the whole child with an emphasis on academic achievement, faith formation and charity towards others. In addition, Saint Agnes Catholic School focuses on giving back to the community through a wide variety of service projects. Each month, the school participates in projects to help the community. More information regarding the school and our service projects is available on our website at <http://www.saintagnes.org/school/>.

As the students learn charity at school, the Parent Teacher Organization seeks to give back to the school through its Annual Auction. **This year's theme is "Midnight in Morocco," and the auction will be held on Saturday, March 3, 2012.** The auction is our school's major annual fundraising event. All donated items are auctioned off (via silent and live auctions) and all the proceeds are used to directly support the school, including providing tuition assistance, technology upgrades and providing support for numerous academic programs for the students.

What better way to promote and build goodwill for your business among our more than 500 parents – as well as the faculty, staff, parishioners and others – than to donate a tax deductible item! Any donated items, along with the donor name, will be featured in our Auction Catalog that is provided to all parents, faculty and staff, as well as to many of our parishioners.

In the past we have had many generous donors who have helped make our auction a huge success! While any contribution (monetary, gift certificate and/or products) is greatly appreciated and tax deductible, we would offer the following suggestions: activities or classes, dinners or brunches, retail products or services, tickets for theater, sporting and cultural events and/or weekend getaways and overnight hotel stays.

The deadline for receipt of the Donation Agreement is February 1, 2012. As always, we thank you for your support.

Sincerely,

Maryellen Lundquist
