Dear Friends,

I am pleased to offer my congratulations and best wishes to St. Agnes Catholic School for being designated a 2009 National Blue Ribbon School by the United States Department of Education.

This prestigious award recognizes schools that foster and maintain the highest academic standards for its students. Blue Ribbon Schools are places where improved teaching and learning benefits every student, and where they are constantly challenged to reach their full potential, encouraged by the active support of teachers, parents and the community. Your commitment to educational achievement serves as a model of success for others to follow.

St. Agnes is a wonderful asset to our community and, most importantly, our children. Please accept these congratulations to you on behalf of myself, my staff and the constituents of Virginia's 8<sup>th</sup> Congressional District.

Sincerely,
